And if not, why not?* 有人来解决这些技术问题了吗? 如果没有,那是为什么? ◆ **if necessary/if possible** (=if it is necessary/possible) 如果必要/可能的话 *We are ready to fight for our rights if necessary.* 我们已经准备好必要时为自己的权利而战。◆ *I should like to be back here by 10.30 if possible.* 如果可能的话,我会在 10:30 前返回。**1b.** used for introducing a situation or condition that must exist before something else happens (用于引出某事发生的条件)如果,前提是: *Okay I'll come with you if you'll promise not to go too fast.* 行,我和你一块来,前提是你保证不要走得太快。◆ **only if** *The rebels say they are ready to stop fighting, but only if the prisoners are released.* 叛乱者声称只有释放那些罪犯,他们才准备停止战斗。**1c.** used for introducing a situation that does not exist now and is unlikely or impossible, especially when talking about its imaginary results (尤用于谈论不可能或不存在的情况的假想的结果)如果,假使: *If Luke paid more attention in class, he would achieve better results.* 如果卢克上课

时再专心些，他会取得更好的成绩。◆ *If Freud were alive today, he would approve of our methods.* 假使弗洛伊德今天还活着，他会赞成我们的方法。◆ *If you should happen to meet Diane, would you give her a message?* 如果你真碰见黛安娜，帮我给她捎个信儿好吗？◆ *If anyone were to complain, I should merely tell them to write to the manager.* 如果有人投诉，我只会告诉他们写信给经理。◆ **even if** *I'd never sell this painting, even if they offered me a million dollars.* 我决不会卖这幅画，即使他们出 100 万美元。**1d.** used for introducing a situation that might have existed in the past but did not exist, especially when talking about what its results might have been（尤用于谈论过去本来可能存在却并不存在的情况的可能的结果）如果，要是：*If I'd known you were coming, I would have had a meal ready for you.* 如果我早知你会来，我就会为你准备好饭了。◆ *If the new safety system had been in use, the accident would never have happened.* 要是新的保安系统已投入使用，这场事故决不会发生。**1e. what if...?** used for asking what would happen in a particular situation 要是…，那怎么办？；如果…，那会怎样？：*What if the boss walked in here now and saw us?* 要是老板现在进来看到我们，那怎么办？◆ *What if we just cancel the whole thing?* 如果我们取消整件事，那会怎样？

In an 'if' clause referring to a likely or possible situation in the future, the simple present tense is used. The future tense is used in the main clause. 在表示将来可能出现的情况时 if 从句中用一般现在时，主句用一般将来时：*If it rains, we'll have to go indoors.* 如果下雨，我们得回屋里去。

In an 'if' clause referring to a condition that always has the same result, the simple present tense is used. The simple present tense is also used in the main clause. 在表示某一情形总会出现相同结果时，if 从句和主句都用一般现在时：*If the engine gets too hot, it starts to smoke.* 发动机过热就会开始冒烟。

In an 'if' clause referring to an unlikely or impossible situation in the present or future, the simple past tense is used. In the main clause 'would', 'should', 'could', or 'might' is used. 在表示现在或将来不太可能出现的情况时，if 从句中用一般过去时，主句中用 would，should，could 或 might：*If I won the lottery, I would buy a Ferrari.* 如果我的彩票中了奖，就买辆法拉利跑车。◆ *I would tell you if I knew the answer.* 我要是知道答案就会告诉你。When the verb is 'to be', it is considered more correct to use 'were' in the 'if' clause with singular as well as plural subjects. 若动词是 to be，则不论 if 从句中主语是单数还是复数，动词用 were 被视为更正确一些：*If he were my husband, I would divorce him.* 如果他是我丈夫，我会和他离婚。

In an 'if' clause referring to an unlikely situation in the future, 'were to' or 'should', followed by an infinitive, is sometimes used instead of the simple past tense. 在表示将来不太可能出现的情况时，if 从句中有时用 were to 或 should 后加动词原形，而不用一般过去时：*If you were to die before your parents, who would look after them?* 假如你比你父母死得早，谁来照顾他们？◆ *If you should need any help, just call.* 如果你需要帮忙，只管打电话来。

In an 'if' clause referring to something that did not happen in the past, the past perfect tense is used. In the main clause 'would have', 'should have', 'could have', or 'might have' is usually used. 在表示过去不曾发生的事情时，if 从句中用过去完成时，主句通常用 would have，should have，could have 或 might have：*If you had only listened to my advice, you wouldn't have had so many problems.* 如果你当时听一下我的建议，就不会有那么多问题了。But when the main clause is about the present, 'would', 'should', 'could', or 'might' without 'have' is used. 但如果主句指的是现在的情况，则用 would，should，could 或 might，而不加 have：*If you had followed the map we would be home by now.* 如果你当时按地图走，我们现在已经到家了。

2 used when sth is always true 2a. used for introducing a situation that always has the same result, meaning, or effect（用于引出总是拥有同一结果、意义或效果的情况）只要，如果：*I always get a headache if I watch too much television.* 只要看电视时间过长，我就会头痛。◆ *If you drive without insurance, you're breaking the law.* 如果没有投保就开车，你就违法了。

Academic writing
学术写作
When you have several points to make, or several ideas, reasons etc to discuss, it is a good idea to organize them carefully as a sequence or in a **list**. Here are some words and expressions that you can use. 当需要陈述几个要点或是论述几个观点、理由等时，最好把它们详细地按顺序组织起来或列一个清单。以下是一些用得着的词汇和表达方式。

indicating that you are beginning a list 表明开始列举
Both groups had **the following** *features in common: age, incidence of disease, and progression of disease.* 两组有以下共同点：年龄、发病率和病情的发展。

...in several/three/etc. ways:..., ...the following..., The major points are as follows..., There are a number of reasons/factors/aspects..., There are two/three/etc. types/classes/species...

introducing the first item in the list 介绍清单中的第一项
A local 24-hour scheme can take one of three forms. First, there can be a rota scheme... 当地24小时的时间安排可以采取三种形式中的任何一种。首先，可以采用服务轮值方案…

first/firstly, first of all, in the first place

introducing the second or next item in the list 介绍清单中的第二项或下一项
Next, *a comparison can be made between the temperatures at which the substances melt.* 其次，可以将这些物质融化的温度进行比较。

in the second/third place, second/secondly, third/thirdly, next, a further point..., in addition

introducing the last item in the list 介绍清单中的最后一项
My final point *relates to the penalties that will be employed when workers are given legislative protection against victimization.* 我的最后一个要点和将要采取的处罚条例有关，其意在于使工人们获得立法上的保护，令其合法权益不受侵害。

finally, last/lastly, a/the final/last point...

Other ways of organizing lists 列举清单的其他方式：
You can use numbers to indicate how many points you are going to make, or how many ideas, reasons etc you are going to discuss. For example, '**Three** issues need to be raised' or 'It contains **two** types of information'. 可以用数字来表明将陈述几个要点或将论述几个观点或理由等。譬如，Three issues need to be raised（需要提出3个问题）或 It contains two types of information（它包括两类信息）。

Writers often use numbers or letters to separate the items in a list: for example, **1...**, **2...**, **3...**, or **(a)...**, **(b)...**, **(c)...**, and so on. 作者常常用数字或字母来分开清单中的各个项目，如：1...，2...，3...，或(a)...，(b)...，(c)...等等。

Words that may cause offence: man
可能导致冒犯的词: man

Man and **mankind** are sometimes used to refer to humans in general, including both men and women. However, many people think that this use suggests that women are not included, or that men are more important than women. To avoid causing offence, you can use words and expressions such as **humans**, **human beings**, **people**, **humanity**, or **the human race**. man 和 mankind 有时用来泛指人类,包括男人和女人。但是许多人认为这种用法使人觉得女人被排除在外或者男人比女人重要。为避免引起冒犯,可以使用像 humans, haman beings, people, humanity 或者 the human race 这样的词或表达法。
